Voting Resolution

This agenda item must be approved by a majority vote of the shareholders present at the meeting and casting their votes.

Agenda 4:

Consideration and approval of the allocation of the net profit for the year 2024 to the legal reserve and the distribution of the annual dividend for the year 2024.

Objective and Rationale

The company has a dividend policy to distribute at least 30% of the net profit according to the separate financial statements, after deducting corporate income tax, legal reserves, and other reserves (if any). This policy takes into account the company's financial position, cash flow, liquidity, investment plans, and other factors as deemed appropriate by the Board of Directors. The dividend distribution must not significantly affect the company's normal operations. Shareholders can review the details of the company's dividend policy in the 2024 Annual Report (One Report), which can be downloaded via the QR code provided in **Attachment 2**.

In addition, according to the Public Limited Companies Act B.E. 2535 (as amended) and the company's regulations, it is stipulated that the company must allocate a portion of the annual net profit to the legal reserve, not less than 5% of the annual net profit,

after deducting any accumulated losses (if any), until the legal reserve reaches no less than 10% of the registered capital. This reserve cannot be used for dividend distribution.

In 2024, the company reported a net profit according to the separate financial statements of 107.06 million THB, before deducting the legal reserve. The company has allocated 5.35 million THB from the net profit for the fiscal year ending on December 31, 2024, to the legal reserve, which is no less than 5% of the net profit for the year. This allocation, combined with the previously reserved amount, brings the total legal reserve to 15.90 million THB, representing 9.35% of the registered capital. This complies with the legal requirement, which mandates that no less than 5% of the net profit be allocated to the legal reserve until the reserve reaches no less than 10% of the registered capital.

The company still has sufficient profit to pay dividends. The company will distribute dividends based on the results of operations for the fiscal year 2024 as follows:

1) Interim Dividend Payment for the First Half of 2024 (from January 1, 2024, to June 30, 2024) The company reports the interim dividend payment as approved by the Board of Directors in its meeting No. 4/2024 on August 14, 2024. The Board resolved to pay an interim dividend for the first half of 2024 (from January 1, 2024, to June 30, 2024) at the rate of 0.15 THB per share for the company's 340,000,000 common shares, totaling 51,000,000 THB. The dividend was paid to the shareholders on September 13, 2024.

2) Dividend Payment for the Second Half of 2024 (from July 1, 2024, to December 31, 2024) (Subject to Approval by the 2025 Annual General Meeting of Shareholders)

The Board of Directors in its meeting No. 1/2024 on February 11, 2025, approved the payment of dividends for the second half of 2024 (from July 1, 2024, to December 31, 2024) in cash at the rate of 0.04 THB per share for the company's 340,000,000 common shares, totaling 13,600,000 THB. This dividend payment is in accordance with the company's dividend policy and will be paid from the company's retained earnings, subject to the corporate income tax rate of 20%.

Shareholders who are individual taxpayers may claim tax credits for the dividend payment in accordance with Section 47 bis of the Revenue Code. The company has set the Record Date for determining the shareholders entitled to receive the dividend on May 6, 2025, and the dividend payment is scheduled for May 28, 2025. However, the entitlement to receive this dividend remains uncertain, as it is subject to approval by the 2025 Annual General Meeting of Shareholders.

The information regarding the dividend payment is as follows:

Details of the Proposed Dividend Payment	Amount
Net Profit After Tax for 2024	107,061,205 THB
Dividend Payment at 60.34% of the Company's Net Profit	64,600,000 THB
Dividend Payment Per Share (based on 340,000,000 shares as of the end of 2024)	0.19 HB/share
Interim Dividend Payment (First Half of 2024)	0.15 HB/share
Total Interim Dividend Payment (calculated based on 340,000,000 shares for the first half)	51,000,000 THB
Remaining Dividend Payment Per Share	0.04 HB/share
Total Dividend Payment (calculated based on 340,000,000 shares for the second half)	13,600,000 THB

Board of Directors' Opinion

The Board of Directors has taken into account various factors, such as the company's performance, projected cash flow, and dividend policy. Therefore, the Board considers it appropriate to propose the following for the consideration of the Annual General Meeting of Shareholders:

- 1)** Acknowledgment of the interim dividend payment for the first half of the fiscal year 2024 (from January 1, 2024, to June 30, 2024) at the rate of 0.15 THB per share for the company's 340,000,000 common shares, totaling 51,000,000 THB. The company has already distributed this dividend to shareholders on September 13, 2024.
- 2)** Consideration and approval of the dividend payment for the company's performance in the second half of the fiscal year 2024 (from July 1, 2024, to December 31, 2024) in cash at the rate of 0.04 THB per share for the company's 340,000,000 common shares, totaling 13,600,000 THB.

Voting Resolution

This agenda item must be approved by a majority vote of the shareholders present at the meeting and casting their votes.

Agenda 5:

Consider approving the appointment of a director to replace the director who is retiring by rotation.

Objective and Rationale

Under the Public Limited Companies Act B.E. 2535 (as amended) and the company's regulations, it is stipulated that, at each Annual General Meeting, one-third of the directors shall retire by rotation. If the number of directors cannot be evenly divided into three parts, the nearest possible number to one-third shall retire. The director who has held office the longest shall retire first, although such director may be re-elected.

At the 2025 Annual General Meeting of Shareholders, there are three directors of the company who are required to retire by rotation, as follows:

- | | |
|---|---|
| 1. Police Major General Suriyasak Attavoranan | Committee of Ethics / Chairman of the Audit Committee |
| 2. Dr.Suwongrat Papangkorn | Committee of Ethics / Audit Committee |
| 3. Mr.Sittipas Udompholkul | Board of Directors / Chairman of the Executive Board |

The company has announced on its website and through the news system of the Stock Exchange of Thailand to provide shareholders with the opportunity to propose individuals for consideration to be elected as directors of the company at the 2025 Annual General Meeting of Shareholders, between October 1, 2024, and December 30, 2024, in accordance with the principles of good corporate governance for listed companies. However, upon the expiration of the deadline set by the company, it was found that no shareholder had proposed any individual for consideration to be elected as a director of the company

The Nomination and Remuneration Committee (excluding interested directors) has followed the recruitment process by evaluating the qualifications as stipulated by law, the company's regulations, relevant requirements, and the composition of the Board of Directors. Additionally, the qualifications, skills, experience, and expertise that are appropriate and beneficial to the company's operations have been considered. Therefore, the committee finds it appropriate to propose the reappointment of the three directors whose terms are expiring, to continue serving as directors of the company for another term. The biographies of these three directors are provided in **Attachment 3**. In addition, Section 86 of the Public Limited Companies Act B.E. 2535 (including any amendments) prohibits directors from engaging in business activities that are similar to or in competition with the company's business or from being a director of a private company or another company engaged in business activities that are similar to or in competition with the company's business, whether for personal benefit or the benefit of others, unless prior notification has been made to the shareholders' meeting before the appointment resolution. The three directors proposed for reappointment, as mentioned above, are not serving as directors or executives in any other business that may lead to a conflict of interest or engage in business activities that are similar to or in competition with the company's business.

Board of Directors' Opinion

The Board of Directors (excluding interested directors) has carefully and independently reviewed and considered the matter with due diligence. The Board approves the proposal made by the Nomination and Remuneration Committee, believing that the

three individuals proposed for appointment have undergone the process established by the company and meet the qualifications required by relevant regulations. These individuals are also deemed appropriate for the company's business operations. Furthermore, the three proposed directors do not have any disqualifying characteristics as stipulated under Section 86 of the Public Limited Companies Act B.E. 2535 (including any amendments).

In addition, the Board of Directors has considered and determined that the individuals proposed for appointment as independent directors meet the qualifications as prescribed by the relevant laws and regulations regarding independent directors (including the definition of independent directors as set by the Securities and Exchange Commission of Thailand and the company). These individuals are also capable of performing their duties and providing opinions independently. Therefore, the Board of Directors (excluding interested directors) deems it appropriate to propose to the Annual General Meeting of Shareholders 2025 for the consideration and approval of the reappointment of the directors whose terms are expiring, to continue serving as directors for another term, as follows:

- | | |
|---|---|
| 1. Police Major General Suriyasak Attavoranan | Committee of Ethics / Chairman of the Audit Committee |
| 2. Dr.Suwongrat Papangkorn | Committee of Ethics / Audit Committee |
| 3. Mr.Sittipas Udompholkul | Board of Directors / Chairman of the Executive Board |

Voting Resolution

This agenda item must be approved by a majority vote of the shareholders present at the meeting and casting their votes, with the consideration of each appointment on an individual basis.

Agenda 5:

Consideration and approval of the appointment of 1 new director.

Objective and Rationale

Under the Public Limited Companies Act B.E. 2535 (including any amendments) and the company's regulations, it is stipulated that the shareholders' meeting must appoint the company's directors.

The Nomination and Remuneration Committee has followed the recruitment process by carefully reviewing the qualifications as required by law, the company's regulations, relevant requirements, and the composition of the company's board of directors. Additionally, the committee has considered the qualifications, skills, experience, and expertise that are deemed appropriate and beneficial for the company's operations. Therefore, the committee deems it appropriate to propose the appointment of an

additional director to the board. The biography of the proposed director is provided in Attachment 4.

Board of Directors' Opinion

The Board of Directors has independently and thoroughly reviewed the matter with caution and careful consideration, and has agreed with the proposal made by the Nomination and Remuneration Committee. The Board believes that Mr. Don Hetrakul the individual proposed for appointment, has undergone the selection process as defined by the company and possesses the qualifications in line with the relevant regulations. His qualifications are deemed appropriate for the company's business operations. Furthermore, the proposed director does not have any disqualifications under Section 86 of the Public Limited Companies Act B.E. 2535 (including any amendments).

In addition, the Board of Directors has considered and determined that Mr. Don Hetrakul, the individual nominated to be an independent director, meets the qualifications in accordance with the relevant laws and regulations regarding independent directors (as defined by the Securities and Exchange Commission and the company). Furthermore, he is capable of performing his duties and providing independent opinions. Therefore, the Board of Directors deems it appropriate to propose to the Annual General Meeting of Shareholders 2025 to approve the appointment of an additional independent director to the Board.

Voting Resolution

This agenda item must be approved by a majority vote of the shareholders present at the meeting and who cast their votes.

Agenda 7:

The agenda is to consider and approve the board of directors' compensation for the year 2025.

Objective and Rationale

According to the Public Limited Companies Act B.E. 2535 (including any amendments) and the company's regulations, the board of directors is entitled to receive compensation in the form of a regular salary, meeting allowances, bonuses, rewards, or other benefits, as determined by the shareholders' meeting. The decision must be made by a vote of at least two-thirds of the total shares represented at the meeting. The compensation can be fixed or based on specific criteria, and it can be set for a specified period or remain in effect until the shareholders' meeting decides to amend it. Additionally, the company's directors are entitled to receive allowances and other benefits in accordance with the company's regulations.

In addition, the company has a clear and transparent compensation process. The Nomination and Remuneration Committee is responsible for determining the directors' compensation rate, which is then presented for approval by the Board of Directors and

subsequently submitted for approval at the Annual General Meeting of Shareholders. The approach to determining the directors' compensation will consider the company's financial position, the scope of duties, and the responsibilities of the directors, ensuring that the compensation is at a level that can attract and retain qualified directors while being competitive with compensation in similar or related industries. For the year 2025, the Nomination and Remuneration Committee recommends that the Board of Directors propose the compensation for approval at the 2025 Annual General Meeting of Shareholders. The details of the proposed compensation are as follows:

1. Monetary compensation

Voting Resolution

This agenda must be approved by a majority vote of at least two-thirds of the total shareholders present at the meeting.

Agenda 8:

Consider and approve the appointment of the auditor and the determination of the audit fees for the year 2025.

Objective and Rationale

In accordance with the Public Limited Companies Act B.E. 2535 (including amendments) and the company's regulations, which stipulate that the Annual General Meeting of Shareholders must consider the appointment of an auditor and determine the auditor's fees for the company every year. Furthermore, according to the announcement by the Securities and Exchange Commission, listed companies are required to rotate auditors if the same auditor has reviewed or audited and expressed opinions on the company's financial statements for 7 consecutive fiscal years. However, the company may appoint a new auditor from the same auditing firm as the previous one. The company can reappoint an auditor who has completed their term after at least two fiscal years have passed since the end of their previous tenure. The Audit Committee has considered selecting the auditor based on the auditor's qualifications, independence, performance, and internationally recognized work standards, as well as experience, expertise in auditing, and the readiness of personnel. The committee has also reviewed the proposed audit fees and found them to be appropriate. Therefore, the committee proposes to the Board of Directors and recommends to the Annual General Meeting of Shareholders to approve the appointment of Karin Audit Company Limited ("KARIN") and the auditors from KARIN, who are licensed auditors approved by the Securities and Exchange Commission ("SEC"), as the company's auditor for the fiscal year 2025. The background information of the auditor is provided in the accompanying document 4. In the event that the aforementioned auditor is unable to perform their duties, Karin Audit Company Limited will appoint another licensed auditor from their office to audit and express an opinion on the company's financial statements in place of the specified auditor.

Furthermore, the Audit Committee deems it appropriate to propose that the audit fee for the company's fiscal year 2025 be set at a total amount of 1,020,000 Baht.

A Comparative Table of Auditor Compensation for Companies

รายการ	Year 2025 (THB)	Year 2024 (THB)
(1) Annual Financial Statement Audit Fee (Audit Fee)	480,000	480,000

Note: The non-audit fees for the year 2568 will be reimbursed based on the actual expenses incurred at a later date.

It should be noted that the aforementioned auditing firm has consistently performed its duties as the company's auditor to the highest standard.

Board of Directors' Opinion

The Board of Directors has considered and agreed with the proposal of the Audit Committee, and it is deemed appropriate to propose to the Annual General Meeting of Shareholders for approval to appoint Karin Audit Co., Ltd. as the company's auditing firm and to appoint the individuals listed above as the company's auditors for the fiscal year 2568.

Regarding the audit fees for the fiscal year 2568, the Board of Directors, based on the recommendation of the Audit Committee, deems it appropriate to propose to the Annual General Meeting of Shareholders for approval of the total audit fees for fiscal year
